

# THE LENAIR HEALING CENTER

ADDICTION AND MEDICAL INTUITIVE SERVICES

---

## **QUALIFYING TELEPHONE CONSULTATION APPOINTMENT**

Thank you for scheduling a qualifying telephone consultation with Rhonda Lenair.  
Your appointment is scheduled for:

---

Call us at our main telephone number **(802-537-3222)** at your appointment time. If we are on another line, leave a message and we will call you right back. Also, be aware that Ms. Lenair sees clients in her office and there is a possibility of a back up in her schedule, therefore your scheduled time might be delayed. Please plan your schedule accordingly with this in mind. We always strive to be on time but that is not always possible.

If for any reason you are unable to keep your appointment, please give us adequate notice so that we may schedule someone in your place. We do not overbook clients thus we ask you to take responsibility for this time. If you need to cancel or rearrange your appointment, **a minimum 48-hour notice is required to avoid a cancellation fee of the amount of your consultation,** which will be charged to your credit card.

Also, download our Telephone Consultation Agreement form. *It is imperative that the agreement be signed and returned to us either by mail or fax prior to your scheduled appointment.* Unfortunately, Ms. Lenair will not be able to do your telephone consultation without this agreement being signed. The fee for this session is \$185.

During the session, Ms. Lenair will provide feedback about your system, as she articulates and understands your specific circumstances. The purpose of this consultation is to mutually determine if this process is appropriate for you and the number of sessions or programs that might be required. We request that you do not tape this session.

Please call Barry if you have any questions. You may fax your Consultation Agreement form to us at 802-537-3221.

Thank you for your interest in Ms. Lenair's work. She looks forward to assisting you through this telephone consultation.

Barry Chalfin Lenair  
Program Director
